

## KINGS MATRIC HIGHER SECONDARY SCHOOL

### REPORT FOR THE MONTH OF APRIL & MAY 2019

#### KG FEST '19

April has been a relatively short month of schoolwork and play. The sun has accompanied us in our activities and our lovely school is bright and cheery with sunlight, which is much appreciated by children and teachers alike. In order to encourage the children, Kindergarten organised KG Fest '19 on 12<sup>th</sup> April. The children showcased their talents through the cultural programmes includes a 'fashion show' and a variety of dances. All the spectators and the children enjoyed the day thoroughly. A big round of applause for the coordinators of Kindergarten and teachers who made this event a resounding success.

## **A GLIMPSE OF THE ACADEMIC ACCOMPLISHMENTS:**

The academic prowess of Kingstonians were proved again with the 100-percentage success in the class X, XI and XII examinations. Class XII students of 2018-19 batch excelled in the Tamilnadu HSE Examination. Out of 127 students appeared for the class XII exams: Thomas Mary Jerlin (Commerce), Anne Jafrein (Maths) and Jency Devi (Commerce) emerged the school toppers by securing 571, 547 and 537 marks respectively.

It was a moment of great pride when Class X students secured 100 percent victory in the Board Examinations. Out of the 106 students appeared for the class X exams: Presheeba, Dharneesh and Vinay Sharan emerged the school toppers by securing 482, 479 and 478 respectively. Three Students added yet another golden feather by achieving centum for social subject (Nithish Selvan, Ebi Suganth Chitheresh and Ani Priyadharshini).

Out of the 141 students appeared for the class XI public exams: Pavithra.B, Jesi.C and Kelista.R emerged the school toppers by securing 569, 549 and 544 respectively.

## **STUDENT ORIENTATION PROGRAMME**

An hour orientation programme was organised for girls of Std VI to IX on 12<sup>th</sup> April. The topic was “Do’s and Don’ts” and the below points were discussed:

- Avoid junk food
- Dressing sense
- Health Hygiene
- Moral Stories
- Parenting
- Respect parents
- Ill effects of social media

## STAFF TOUR

Staff of Kings Schools were given a break from all their home and school chores when they were taken out for a one-day trip to Tirparappu Waterfalls on April 21. It was a great day together as a family and a memory to be cherished forever in the hearts.

## **IGNITE 2019**

Ignite '19, the teachers orientation event started on May 20. The meeting was addressed by our correspondent sir, Mr. J. Navamani on the first day. He informed that many changes will be made in this academic year for the further development of the school.

On May 21, forenoon Mr. Santhosh Kanavalli, an expert in the field of education spoke to the teachers on the importance of integrating mind map into the lessons for effective teaching. They informed the teachers about the need for understanding the students and to identify whether a particular child is right or left brain dominant. The orientation was filled with lots of activities that could be integrated into the classrooms along with the mind map.

On May 22, Mr. Bala from Chrysalis handled the topic, "Co-operative Learning". He told since the classroom is the place where kids spend most of their valuable time, teacher has to create an environment that will make the children engage and involve actively. He talked about the things that should be done to achieve this by suggesting valuable techniques. The session ended with a debate. The debate was to make the teachers know about the uniqueness of their subject and find a factor or an idea that could be achieved only through their subject.

On May 23, Mrs. Kavitha Thaigarajan, principal of Ambari Vidya Mandir (CBSE) covered the topic, "Classroom Management". She told how a teacher should manage her class in the allotted time. In addition, how to make the teaching learning process more effective by incorporating various methods and rules in the classroom.

On May 24, Mrs. Sasikala Carthic, Chief Nurterer in SCS Educational Consultancy, Salem enlightened the teachers on, "Goal Setting to Goal Getting". It was a wonderful session, which highlighted the areas where teachers need to

concentrate more to improve their teaching efficiency. She highlighted the need to incorporate story-telling, and other fun filled activities in classroom to arouse the curiosity of the learners. Through various activities and through scientifically proven method she made the teachers realize how our goals could be achieve in due course of time.

On May 25, Mrs. Ramya and Mrs. Kumari Bagavathi from Veda Education informed the teachers about trained and untrained handwriting and the importance of training the students to write in a proper and consistent handwriting.
