TAMIL CULTURE DAY – ‘Maranthathum Marainthathum’

This Year, giving a different thought the Correspondent decided to celebrate the Annual event in a different angle and kept forth the idea of celebrating Tamil Culture Day. The programme was named as ‘Maranthathum Marainthathum’ (Forgotten and Vanished). The idea behind the programme was to remind the young generation about the old traditions, cultures, food habits and all beliefs during the ancient times. The event was held on Saturday, 3rd February in the Sports ground. It started with our traditional musical instruments being played by our students, a huge collection of ancient times manuscripts, vessels, the five forms of land were displayed with the habits followed them demonstrated. There were shops selling clay pots, home-made food stalls were arranged, and many other practices like olden games were also arranged. Every individual was dressed in the old traditional dress – Not only students but also teachers, parents, spectators and supported the event. The press and media covered the programme and telecasted them, and the event reached a big mass. There were old traditional dances performed by our students and every individual, parent, spectator was happy to see this and parents commented that they wanted their children to learn and know about the old practices which they had seen practices by their ancestors. The whole event was well organised and every individual of Kings Family participated in making the programme a big success.

AERO QUIZ

Two of our students were taken to the Dr. APJ ABDUL KALAM MEMORIAL AERO QUIZ held at Nagercoil on 17/02/2018. Totally there were students of 52 leading schools from kanyakumari and Tirunelveli districts. By 11am in the morning commenced the competition. First was the priliminary round. Our students scored 21 marks out of 40. Students from 6 schools were selected for the final round. The students were shown a few useful videos about Aerospace and mars vision. The quiz master made a good request to the students to read the news paper daily and keep themselves up to date. It was an eye opening event to our students to become smarter in every possible way to compete in this competitive wold. Over all it was a good day for the students with better exposure and new challenges.
