MATRIC & CBSE

**MONTHLY NEWSLETTER**

**NOVEMBER 2019**

## Successful Stories of Ex-Children

### Belsie and Banupriya

Belsi and Banupriya are ex-Trust children. Belsie has successfully completed her B.c Nursing degree course. Now, she is working as a Tutor in Nehru Nursing College, near Vallioor. Banupriya came to the Trust when she was very young. She lost both her parents at her childhood. She has one elder sister and both were taken care by her Aunt. She has successfully completed Nursing course. Then she married to an accountant in a private company, Mumbai and has a girl child and is living happily. They are so grateful to the Trust for the support they received in their life.

### Roselin, a Government Nurse

Roselin has joined the Trust after her father deserted the family at age 10. Her mother is working as a coolie. She has only one elder sister. She was educated in a Government Tamil Medium School. After her school education, she has successfully completed General Nursing Midwifery, a

three and half year Diploma Course. Now she is working as a Rural Child Health Nurse in a Government Primary Health Centre, Tirunelveli. She is happily married and has two daughters, well settled with the government job. She is very grateful to the Trust, without the support of us, she wouldn't attain this level.

## Uma Maheswari, a Staff Nurse

Uma Maheswari lost her father at a very early age. Her mother is working as a caretaker in an anganwadi school. She has one elder brother and one younger brother. She came to the Trust along with her elder brother when she was at age 9. After her school education, she was graduated Diploma Nursing Degree course. Now, she is working in Venkadeshwara Hospital, Tirunelveli as an operating theatre staff nurse. She is very grateful to the Trust for its support in her life.

## Sibin, a Basketball Coach

Sibin came to the Trust when he was at age 6. As his parents were separated and he was left alone, he was taken care of by his Aunty. He finished his school education in Kings School. He was much interested in sports and he used to play basketball during his school days. After his school education, he graduated a B.Sc. Degree Course. Then, he worked for Appaya Academy in Basketball coaching and then started his own work. He is planning to start a own company with his seniors in a few months. He is also doing international certification, ACE –American Council on Exercise which will get over in February 2020. He is so grateful to the Trust for the support he received in his life and attain this level.

## Binky, a Sub Inspector of Police

Binky came to the Trust when he was studying year 6. His father is a Pastor. He lost his mother when he was just 2 years old. He has only one younger brother. He was educated by the Trust. He has been good in academics. He has successfully completed his Master's Degree in Mechanical Engineering. He always wants to become a Sub Inspector in a government protection force. He has attended the Staff Selection Commission GD Constable Exam during 2019 and has selected Sub Inspector of The Central Reserve Police Force (CRPF). He is also waiting for the result of the Railway Recruitment Board (RRB) written exam for the post of Sub Inspector in Railway Protection Force (RPF), he had attended earlier this year. He is so grateful for what he is today and without the support of KWTC, he wouldn't attain this level.

## Prapin, Assistant cook at Kings

Prapin came to the Trust when he was studying in year 1. He came along with his three brothers and his mother. He was supported by the Trust to continue his school education until Year 10. Then he has completed ITI course. Afterwards he did a one-year catering course and now works as an assistant cook at Kings School.

## Higher Education Children

### Godson

Godson's parents are working as a coolie. He has one younger brother and one younger sister. He was educated by the Trust. He successfully completed ITI course in Fitter at Macro ITI College, Vallioor. Recently, he got an opportunity to work as a Trainee in H& M Industrial Company, Hyderabad.

### Ashok

Ashok was supported by the Trust when he was at 10 years old. Ashok's father is a coolie. His mother is rolling beedies (tobacco leaves). He has one elder brother and elder sister. He completed his school education at Kings School in 2016. He is now doing his second year of B.Sc. degree course in Catering at Bell Institute of Catering Technology, Sivakasi.

### Sumithra

Sumithra's mother is a housewife. Her father is a alcoholic. She has two younger sisters and one younger brother. She born with disabilities. She came to the Trust when she was studying Year 1. She is not able to walk by herself and needs someone's support to walk. With the support of the Trust's outreach programme, she attends a local government school regularly. With her strong will power and our support, she is now studying Year 10 and going to appear for her first government exam during the month of March 2020.

# Achievements of Bursary Children
