KINGS SCHOOL (CBSE)

A NEW CHAPTER

Kings CBSE, which was started in the year 2013, is being expanded to include eleventh and twelfth fulfilling many parents demand and to accommodate new students. The construction work for new classrooms is rapidly going on to provide the students with world-class infrastructure. The new building will include all the necessary equipment to facilitate learning and it will also include dedicated rooms for music, art and library.

Kings School CBSE is expanding its horizon with the upcoming 11th Class. The students are given four groups A, A1, A2 and A3 to choose the right career path. The first group (A) includes English, Mathematics and Science (Physics, Chemistry and Biology). The second group (A1) includes English, Science and Computer Science. The third group (A2) includes English, Physics, Chemistry, Mathematics and Computer Science. The fourth group (A3) includes English, Business Studies, Accountancy, Economics and Computer Science.

THE FIRST 10TH BATCH OF KINGS CBSE

The 19 children of the first 10th Batch (2018 – 2019) will always be the joy and pride of the school as they have travelled along with the school since day one. The trust and faith of the parents have always motivated us. Each child is a unique, one of a kind personality whom we could find nowhere else. Together they have brought in laurels to Kings School and have set the standards on various grounds and have inspired all the juniors by their way of life inside and outside the school.
