KINGS SCHOOL (CBSE)

Students Who Never Missed School

It is very interesting and surprising to note that some of our students had maintained good attendance record all through the academic year. We positively encourage all children to strive for 100% attendance at school each year. For the 2016-17 academic year, there were 24 children who secured 100% attendance record. These children were honoured on sports day by our Chairman Uncle Colin and Correspondent Mr J Navamani for their fantastic effort.

STARS OF KINGS

- Vignesh of Class VIII represented and played extraordinarily in under 13 sub junior Tirunelveli team for inter district championship held at Thiruvannamalai. He was honored in the assembly.
- Aerophils Rehobath from class 2, Jebisha from class 3, Abisha from class IV, Gibson Samuel from class 4 and Hema Manisha from class 6 were rewarded with the STAR OF KINGS badge for speaking only in English.
- The students who read well were also honoured in the assembly with STAR OF KINGS Badges.
- Class 2 received the appreciation from many parents for the wonderful science project display. The whole class was appreciated and rewarded the stars of kings badges.

TEACHERS PROFESSIONAL DEVELOPMENT PROGRAMME

Teacher is a lifelong learner. The teaching fraternity has to keep abreast with the ever changing technology and the mind-set of the students, thereby. Keeping this in view an orientation programme was organized for teachers handling classes 1 to 5. The session was indeed engaging and effective equipping the teachers for better assessment and care.

PARENT OPEN DAY

Parent open day was organized on 14.10.17. 60% of the parents attended. It was a great interaction between the teachers and the parents for the development of their children and they discussed both the strengths and areas to be improved.

CLUB ACTIVITIES

The ECO club students took pledge in all the classes regarding **GO SAFE DIWALI** where they stressed all the students not to crack harmful crackers and not to pollute the environment.

A hand wash activity session was conducted by the ECO Club students to bring the Awareness ABOUT VARIOUS CONTAGIOUS DISEASE caused by germs through unhygienic hands and delivered a talk on the topic “our hands our future”.

INTERNAL COMPETITIONS

With the excitement of the festive season in the air, the Students from classes 1 to 3 participated in the Diya making Decoration Competition, Classes 4 to 5 in the lantern making and 6 to 8 in the Rangoli competition undertaken on 25/10/17. They displayed their creativity by decorating the diya's, lanterns and rangoli beautifully. The children also learnt about the significance of lighting Diya, hanging Lantern and decorating beautifully with rangoli on Diwali. we had conducted talent show for class 9, Students took part with great spirit. It was an exciting and fun filled day for the students.

INTERNAL COMPETITIONS

With the aim of honing the dance skill, Dance Mania Competition for classes I to V was held on 11.10.17. Many students took part and danced gracefully. The vivacious dancers set the floor on fire with their energetic performances. The spectators bore witness to the enthusiasm and energy of the young dancers as they captivate everyone with their performances. The judges appreciated the participants.

STORY TELLING ORIENTATION

Children have an innate love of stories. Stories create magic and a sense of wonder at the world. Stories teach us about life, about ourselves and about others. Storytelling is a unique way for students to develop an understanding, respect and appreciation for other cultures, and can promote a positive attitude to people from different lands, races and religions.

The orientation programme aimed at equipping the teachers with the ideas of newer trends in storytelling. Our teachers Mrs. Daisy and Mrs. Shyamili were participating the orientation which was very useful in enhancing the class room management through story telling techniques by Ms.Bhagiya Rathi

Mrs. Daisy and Shyamili later shared information with other teachers about story telling.

SOCIAL SCIENCE ORIENTATION

‘Empowering Teachers is the key to Enhancing Education’

One of our greatest assets in the society are teachers. Teachers play such an enormous role in the lives of students. They have the ability to inspire, empower, and foster environments of self-confidence, passion, and nurturance or the complete opposite. The teachers handling Social attended an orientation on 28.10.2017 conducted by Mrs. Padmini Sriraman, Principal of The Hindu Senior Secondary School who received the Central Board of Secondary Education ‘Best Teacher Award’ for the year 2011. The session will definitely help the teacher improve teaching social involving all the students to a great extent.

SCIENCE PROJECT DISPLAY

Thomas Alwa Edison said “Many of life's failures are people who did not realize how close they were to success when they gave up.”

Science is all about learning by doing. We at Kings school make sure that the students learn primarily by doing what they learn in the classroom. A science Expo was organized at Kings school on 27th October 2017. Students of Kings from classes 1 to 8 displayed a variety of projects related to the topic they learn. With the key objective of bringing out the hidden talents of students and with a focus on creating more awareness of science and technology, the exhibition was organized. The Primary section displayed models explaining animals, Traffic signals then Birds and their nests. The exhibits of class 4 to 8 spanned all the three branches of Science-i.e, Biology, Chemistry and Physics. This exhibition, not only honed the communication skills of students, but also polished their skills in technology and was a step forward towards their all-round development. Overall the exhibition was appreciated by our Correspondent Mr. Navamani, Principal Mrs. A.Anu, Deputy Principal Mr. Anantha Sam , parents, teachers and all the visitors.
