Ex-Student

Jaslin:

She came to trust when she was in class IV along with her younger brother Immanuel Prabhu. She lost her father, who was sick when she was 2 years old, and then her mother started to make idlis and sell it to the local customers, with that earning she was unable to take care of the studies of the children so the mother sought help from KWTC. Both of the children were taken into the

residential care of the Kings World Trust for Children. Jaslin completed her Diploma course in Computer Science Engineering, got married and has one child. Recently she has started to work as an office assistant in Kings CBSE School, she

is grateful to the trust and working very happily.

Hockerill Visit:

For the Eighth consecutive year, a team from Hockerill Anglo- European College from UK visited Kings School during the month of July. As every year, this year there were 24 students under the leadership of Mr. Kevin Purday, teachers Clare and Lindasay, the team arrived on 7th July.

The Hockerill team met the children in two sessions, morning they were divided into four groups for general intern programme, to improve the English language skills of the children, Afternoon they taught the class VII children for the final music play 'The pied piper of Hamelin'. They spent

about two weeks to train the students with many rehearsals, make them performed well in the final play. The children were all excited about this final play. This year on 20th July, they performed the final musical play on 'The pied piper of Hamelin' – one of the best-known or most

popular fairy tales, the story of the German town of Hamelin is dealing with a terrible rat problem in the year 1284, in which they enacted the characters of rats, a mysterious visitor, hypnotized children and the Mayor in a series of comical scenes accompanied by music and dance. It was a great opportunity for the students of year 7 in Kings to explore themselves by interacting with the native speakers.
