

# KINGS WORLD TRUST FOR CHILDREN

## MONTHLY REPORT – OCTOBER 2018

### VISIT OF VOLUNTEERS AT KWTC

Mr & Mrs. Ulla Fischer visited KWTC on 21<sup>st</sup> October and they spent three days at the campus. They met their sponsored child Subbalakshmi at her home where they met her sister and her mother as well. They were very happy to see them at her home and spent more than an hour time to interact with her and the family members. The next day they attended the morning assembly at Kings School and visited her classroom as well.

## UPDTAES ON BURSARY STUDENTS UNDER HIGHER EDUCATION

### MANJULA

Manjula's parents both are separated and re-married. Manjula was under the care of her maternal grandmother. As the grandmother is very old and could not

look after her, she sought help from KWTC. She joined KWTC in 2007 and attended Kings School to Year 2. She was seven years old when she entered KWTC. She successfully completed year 12 from Kings School during the academic year 2017-18 and scored 81% marks. Now, she joined Mechanical Engineering degree in VV Engineering College, Thisayanvilai. It is 45 km away from her grandmother's house. Therefore, she is staying in college hostel. Manjula is very happy and interest to learn all her subjects. She has many new friends and enjoys being with them. She is preparing herself for 1st semester examination. She is a confident girl and is becoming more responsible.

### IRUDHAYA CHARLES

Irudaya Charles's father died of a heart attack when he was very young. He has two elder brothers, two elder sisters and one younger brother. His eldest brother died of a heart attack at the age of 17. His youngest brother is also sick. Therefore, the family approached KWTC to help them by giving shelter and education to Irudaya Charles. He was then under the residential care and attended Kings School. Now he is under outreach and doing Engineering degree in Electrical & Electronics. He is in 2<sup>nd</sup> year and the course is 4 years. He is good in his studies. He has passed in his 3<sup>rd</sup> semester exams and scores 65% marks in all the subjects. He particularly enjoys his practical classes. He likes learning 'Electro Magnetic Theory' subject in this year. He likes to play Football and he used to

play for his local village team. In addition, he participated in a Football competition at university level.

## **VENICE**

Venice lost his father in an accident. His mother rolls beedis from tobacco leaves and earns a small income. He has two sisters, one younger and one elder than him. His mother sought help from KWTC, as they have no other financial support. Then he came to KWTC along with his younger sister in the Outreach Programme. He is good in studies and doing 3<sup>rd</sup> year mechanical engineering. He has passed all his V semester exams during this academic year 2018-19. He enjoys all his practical classes. He particularly enjoys the 'Theory of Machines' subject and learns the different kind of machines along with the subject. He loves playing Cricket and used to play as a batsman in his local village team. He spends his leisure time by watching action movies on the Television. He is very gentle. He used to help his mother in shopping and other household works.

## **ROSELIN**

Roselin's mother committed suicide and her father got re-married. She has one younger sister, Stella, doing her 1<sup>st</sup> year Degree course of Nursing in Salem. Roselin and Stella brought to KWTC by her grandmother and they were under the Residential care since 2003. Roselin is good in her studies. She has passed all her VII semester exams and scores 78% in all subjects. During this semester she is focussing the final year project. She is taking part in many training programmes organised by her college. She enjoys her 'Optical Communication' theory class. She took part in the inter college singing

competition and got first prize. She loves singing and she has been singing in her college choir as well. She is confident and responsible. She spends her leisure time by reading books.
