# CAREER GUIDANCE PROGRAMME

It is a programme designed to assist individuals in making and implementing informed educational and occupational choices. It had been a wonderful chance for 12th students who assembled in the Burden Centre on 8 July at 11a.m to achieve their career option or acquiring their professional goals. The resource person was Mr. S. Dharun, Alumni of 2012 - 2013 batch who had his primary to higher secondary education at Kings School, Engineering at Velammal College of Engineering, Chennai. He is a well-disciplined student, diligent and a topper throughout his academic career. He also enjoyed sports and was a state level Hockey player. He actively took part in scouts and guides, which later helped him to fulfill his dream as a flying officer. The Burden Centre was mesmerized and the students were spellbound in receiving their senior for their guidance programme. He was given a standing ovation and there lighted hope and cheerfulness at the face of all the students.

Mr. Dharun took pleasure in sharing his glorious experiences of school life at Kings, Reverently saluting teachers who taught him and the picturesque Environmental of the school, and the vast playground where he played. He also conveyed that Uncle Colin had been his role model. He advised the student to be humble when one is raised to great position. He is content with his profession and expected each a student to support our nation through his/her service.

He enlarged the student about the prospect of NDA explained them in detail about the course, eligibility, mode of selection and the ways of preparing for the exam successfully. He also gave a lot of information about three forces namely Air force, Military force the Naval force, exams conducted by SSC and UPSC, the mode of preparing for AFCAT, Medical and Non-medical categories, Engineering prospects, Nursing, Technical and Non-technical and various positions in Defence offices.

Uncle Colin Wagstaff thanked him for his presentation and his own long association with Defence. It has been a red letter day for the student as their senior, a flying officer who is a pilot of Suk hoi -30 fighter, who wishes to take off the youth to the sky.

# INVESTITURE CEREMONY

Kings Schools always acknowledge the budding young leaders and repose the trust in them.

To instil the leadership qualities in students and to give them an opportunity of functioning the administrative body a school prefectorial board is formed after scrupulous selection.

The investiture ceremony for the academic year 2022-23 was held on 29th June 2022.

Master. Naveed Ridwan, Miss. Beulah J, Master. Thivin Jebas A and Miss. Abirami A P were selected as Head Boy and Head Girl, Assistant Head Boy and Assistant Head Girl respectively.

Uncle Colin and Correspondent inspired and encouraged the elected leaders to be dutiful and responsible.

They also congratulated the newly appointed school prefectorial board for their preparedness to take responsibilities entrusted to them in the year ahead.

The Oath taking ceremony was led by the Deputy Principal (Non-academics) Mr. Joshua. The ceremony was taken solemnly and it was a momentous day of all the leaders.

## CRICKET MATCH

On 2nd July 2022, a twelve - over cricket match was held between the students of Kings Matric Hr. Sec. School and Kings School, CBSE. Matric team won the toss and chose to bat. The match started at 1:30 P.M and a few minutes after the start the CBSE team took four wickets in the first four overs. The Matric team was desperate to put runs on the board. The middle order batsmen of Matric team managed to hit a few boundaries and sixes and took the score to 70. At the end of the twelfth over, the Matric team scored 91 runs and had lost seven wickets. The target was to hit 92 runs in 72 balls. It looked like a tricky score to win. The match could have gone either way. With the hope to win the match, both the teams started the second innings. The Matric team took a couple of early wickets. The CBSE played carefully and managed to run quickly between the wickets. They were not able to hit many boundaries as the Matric team fielded very well. They restricted the CBSE team to 57 runs and took eight wickets. It was good to watch young players of possible future Indian cricket team members to play with good sportsmanship, skills and determination. Overall, it was a great match, where both the team gave their full effort and it was the Matric team who was glad to win. It was engaging to hear the commentary by our senior school teachers and to hear the cheers of the students who supported their team.

# DEBATE COMPETITION

Debate competition was held for students of Class XI & XII on 9th July, 2022. This competition was held to bring out the way of expressing ones point of view on a particular topic. In this way the students learn to agree, disagree, and find a solution to an issue. The competition was carried out with the criteria's like Clarity, Argument, Use of Cross Examination and Presentation Style.

Different topics chosen were:

Technology development is good or bad.

Science is a boon or a bane.

The competition was judged by Mr.Ajin, Mr. Joison.
